### TREASURE OUR TOWN - A HUGE THANK YOU! 🙌👏

Today was our last Treasure our Town session for 2024 and what a session it was! We were joined by lots of volunteers which was absolutely amazing, we really do appreciate it! We had help from the lovely [Pick Up for Pendle](#) volunteers, a number of our town councillors, our town clerk and we even had help from some very eager and willing children from Park Primary School! The pupils were so full of enthusiasm and did such an amazing job collecting litter - their school and parents should be very proud!

During this session which focused on the Skipton Road area we collected a whopping **20** bin bags of litter in just one hour. Sadly, we could have collected more but we just ran out of time 😞 Our councillors also made note of a number of other issues, some of which included:

- A damaged litter bin
- A damaged grate
- Dumped drugs paraphernalia/needles

The last of these issues is absolutely shocking and we were saddened to see it. How people can willingly leave dangerous drugs paraphernalia and needles lying around really is disgraceful, especially in an area where children play. Sadly it was the Park Primary children who spotted these items - items they should never have to see 😞 These issues will now be reported to the relevant authorities to be dealt with.

👍 As this was our last session for 2024 we just wanted to say a huge **THANK YOU** to each and every one of our volunteers. Whether you have attended one session or every session, every little helps so thank you for taking time out to help us treasure our little town.

We are hoping to launch the scheme again in Spring 2025 so watch this space for updates!
