**Treasure Our Town – Making a Difference Together!** 🌱

Today, we held our first Treasure Our Town session of the year and we want to say a huge thank you to our fantastic volunteers! By giving just an hour of their time, they each helped keep a small part of our town that little bit cleaner and more welcoming for everyone.

These sessions are vital in tackling litter and reporting issues such as damaged street furniture, fly-tipping, graffiti and overflowing bins—small actions that make a big difference to our community. Today in only one hour we collected more than 12 bin bags of litter as well as dumped household items and even medical waste.

If you love our town and can spare just one hour a month, we'd love for you to join us to offer a helping hand. Simply turn up on the day (sessions take place the first Wednesday of each month & are announced here nearer the time).

Together, we can all play a part in keeping our town a place to be proud of! ❤️♻️
