TREASURE OUR TOWN POWER HOUR SUCCESS 🏆

A huge thank you to everyone who joined us for today's Treasure Our Town litter pick!

We were delighted with the fantastic turnout, and your support really does make a difference. Together, our hard working volunteers collected 12 bags of litter, cleared weeds along the footpath edge and even removed a discarded rocking horse from the area!

During the session, Councillor Sarah Cockburn-Price also identified and reported several issues requiring further attention, including fly tipping, broken glass and an abandoned caravan. She will also be contacting the relevant landowner regarding the overgrown vegetation.

Every litter pick helps make Colne a cleaner, safer and more welcoming place for everyone. Thank you once again to all of our wonderful volunteers for giving up your time to support our community—we couldn't do it without you! ❤️

Our next session will take place **5.30pm-6.30pm** on **Wednesday 26th of August** on **Shaw Street** (meeting point where Shaw Street meets Bridge Street).

Hopefully see you there! 🙌 [See less](#)
