Dear Colne Town Council,

On behalf of Colne Junior Council, we would like to say a big thank you for the money you kindly gave us for our trip to Leyland Recycling Centre. The money helped pay for our transport to get there.

During the trip, we learnt how different materials are sorted and recycled, and where they go afterwards. We also learnt which plastics can and cannot be recycled, so we can share this information with our classmates and help everyone recycle correctly.

We also learnt about the different jobs people do at the recycling centre and why their work is important.

We really appreciated your support and enjoyed the visit very much. We hope to help our community and the environment by sharing what we learnt with others.

Thank you again for your generosity.

From,
Colne Junior Council

Go further than we thought, run faster than we hoped, reach higher than we dreamed and become the best that we are able.
