

Item 15 – Proposed Footpath Diversion

Sent: 30 July 2026 15:48

Subject: Proposed diversion of public footpaths FP1302053 and FP1304172 at Ing Barn, Colne Road, Barrowford (R2/14/235)

We have received an application to divert public footpath FP1302053 and FP1304172 at Ing Barn, Colne Road, Barrowford, BB8 9QT under Section 119 of the Highways Act 1980. This site is at Grid Reference SD871399 (coordinates 387127,439970).

Please see the proposals map attached. It is proposed that the bold line A – C – D is diverted to the bold dashed line E – B – F – G – D. The new footpath would be 2m wide with gates at points E, B and G. The footpath crosses stepping stones at point F. The purpose of the diversion order is to regularise the walked route of the footpath and thereby avoid the legal line of the path running through a private garden.

This email has been sent to utility companies with apparatus in the area of the proposals, local councillors, Lancashire County Council, the Town or Parish Council, any landowners who may have an interest in the proposals and public rights of way user groups. If you have any comments on the proposals, or if you would be likely to object in the event of the Council making a diversion order as shown on the attached map, then please let me have your comments in writing by Monday 31st August 2026.

Yours sincerely,

Tom Partridge
Countryside Access Officer
Pendle Borough Council
